## Model Paragraph 1

*"How was your last weekend?"*

Last week, I spent a really nice weekend. I went to my friend's house and we played in the park. It was a lot of fun. I went to the stadium with my father. We watched a football match but my team lost. I took lots of selfies. After the match, I went to a restaurant to have pizza with olives and peppers. Next weekend, I will go to the museum or the funfair.

## Model Paragraph 2

*"Tahya Masr Bridge"*

Tahya Masr Bridge is the world's widest suspension bridge. It opened in Cairo in May 2019. More than 4,000 people helped to build it. They started building it in 2016 and they finished it in 32 months. The bridge crosses the Nile's Warraq Island. Many people enjoy walking across the bridge. It has a glass floor, so you can see the river under your feet. The best time to cross the bridge is at sunset.

## Model Paragraph 3

*"The Grand Egyptian Museum"*

The Egyptian Museum is the oldest museum in Cairo. It opened in 1835. There were many of Egypt's most valuable treasures on display. In 2002, there was a competition to design a bigger and more modern museum because there was no space in the museum for 100,000 other objects. The competition had many designs from more than 80 different countries. The new museum welcomed its first visitors in 2019. The most beautiful part of the museum is the entrance with its statues.

## Model Paragraph 4

*"A trip to Al Azhar Park"*

Last week, I went on a trip to Al Azhar Park with my family. We went there in our father's car. That park has a few trees and plants. The trees there are taller and it has more plants. It also has fountains, a lake and cafés, too. We had a picnic there. We ate delicious food. Then we played games. We enjoyed our time. Al Azhar Park is a beautiful place to spend a lot of time. I hope to go there one day with my friends.

### Model Paragraph 5

Last weekend, we went on a trip to the desert. We woke up early. I made myself breakfast. Then I got dressed. I put on my clothes and looked at myself in the mirror. I put on a hat and sunglasses to protect myself from the sun. In the desert, we met our guide and we rode with him on camels. That night, we cooked ourselves dinner on a fire. After dinner, when it got cold, we sat by the fire to keep ourselves warm. We enjoyed our time a lot.

### Model Paragraph 7

Dear Mazen,

How are you ? I want to reply to your question why we must do and mustn't do in the nature reserves. We have nature reserves to help our birds, plants and animals. Many animals live there so we must be careful about what we do. We mustn't make a lot of noise. Noise makes animals feel frightened. We mustn't leave the road through the reserve because there are animals and birds living in the plants next to the road.

We mustn't give any food to the animals or birds. We must take all our rubbish with us when we leave.

Dear Fady,

How are things with you?  
I want to tell you about the importance of trees and how we can plant them. We plant trees to keep our environment clean. Trees make the air healthy. There are many steps to plant a tree. First, wash the plastic pot and dry it. Second, put some small stones at the bottom of the pot. Press your finger to make a hole and put the seed in the hole and cover it with soil. Finally, put the pot outside in a warm place. Water it every day but don't give it too much water. When the tree grows too big for the pot, plant it in a bigger pot, or in the ground. Let's plant a tree in the garden together.
